2. Terms of Supply

2.1. Sandvik may accept or reject any Order in its absolute discretion and for its sole interest at any time.

2.2. Where Sandvik has provided a purchase or credit facility to the Customer, Sandvik may withdraw that facility either on the basis specified in the Contract in respect of that purchase or credit facility or, if no such basis is specified at any time without prior notice, and Sandvik reserves the right to review the extent, nature and duration of such facilities at all times.

2.3. Sandvik may without notice suspend or terminate the supply of Goods and/or Services or the granting of any rights where any Amount Payable remain(s) unpaid after the Due Date and Sandvik can recover from Customer all costs and losses associated with such suspension or termination action. The Customer must provide Sandvik with a Security Interest for payment as and when required by Sandvik.

3. Evidence of Contract and Precedence of documents.

3.1. The Contract contains the entire agreement between Sandvik and the Customer with respect to its subject matter and supersedes all prior understanding and agreements between the parties whether oral or written with respect to such subject matter. The Customer acknowledges that in entering into the Contract it does not rely on any statement that has not been expressly set out in the Contract. No terms and conditions submitted by either party that are in addition to, different from, or inconsistent with these Terms shall be binding upon either party unless specifically and expressly agreed in writing. Nothing in the Contract shall exclude or limit liability for fraud.

3.2. These Terms apply to the exclusion of any other terms or conditions that may be sought to be invoked by the Customer (including without limitation any terms referenced in any Order or on any online website or electronic platform), or which are implied by trade, custom, practice or course of dealing. Sandvik will not supply on, and expressly rejects:

3.2.1. the Customer's standard terms and conditions of purchase; and

3.2.2. any terms and conditions other than the terms and conditions stated herein.

3.3. The Customer expressly acknowledges and agrees that any Order which it issues to Sandvik shall be an offer to procure Goods and/or Services from Sandvik under these Terms, and that upon Order Acceptance, both Sandvik and the Customer shall be bound by the terms of the Contract.

3.4. A Contract for the supply of Goods and/or Services is made upon Order Acceptance.

3.5. By issuing an Order, the Customer acknowledges that Goods and/or Services are supplied in accordance with these Terms.

3.6. If there is any conflict or inconsistency between the parts constituting the Contract the parts will rank in the following order: 1. the Order Acceptance; 2. the Terms; 3. the Quote; and 4. the Order.

4. Delivery and Risk

4.1. Sandvik will deliver the Goods to the Sandvik address set out in the Order Acceptance. Risk in the Goods shall pass to the Customer in accordance with the Incoterm specified in clause 6.1. Delivery may be made in one or

more instalments and at different times or by separate shipments or deliveries. Adherence to the Delivery Date or delivery period is determined by the date of POD by Sandvik. The Customer's obligation to take delivery of the Goods is a material obligation under this Contract.

4.2. If Sandvik is not able to deliver the Goods to the Customer on the Delivery Date due to the Customer's inability, unavailability or unwillingness to accept delivery, Sandvik reserves the right to dispatch any Goods at Sandvik's discretion or put them into storage at the sole expense and risk of the Customer. Such cost shall be immediately due and payable on demand to Sandvik, but such liability shall not affect Customer's obligation to purchase the Goods and the right of Sandvik to claim damages for breach of such obligation.

4.3. If the Customer fails to collect or take delivery of the Goods within 3 months of the Delivery Date, Sandvik shall be entitled, without prejudice to its other rights, to terminate all or part of the Contract, to dispose of the Goods and to charge the Customer compensation of (i) for standard Goods, 15% of the purchase price; and (ii) for non-standard Goods, 30% of the purchase price or the cost of materials and labour incurred until the cancellation date, whichever is higher, to be paid by the Customer within 10 days of Sandvik issuing the corresponding invoice. The parties agree that such sums payable to Sandvik under this clause are a genuine pre-estimate of the costs and losses which Sandvik would suffer from the Customer failing to take delivery of the Goods.

4.4. Sandvik will deliver the Services in accordance with the service delivery schedule provided to the Customer in the Contract.

4.5. Excluding as set out in clause 4.6, the Delivery Date is estimated in good faith and while reasonable effort is made to meet an estimated Delivery Date or the service delivery schedule Sandvik will not be liable for any loss incurred by Customer as a result of delay or failure of Sandvik to make any supply of Goods and/or Services by the Delivery Date. Further, Sandvik will not be liable for any loss incurred by Customer as a result of any failure of Sandvik to observe any of these Terms due to an act or omission of the Customer.

4.6. Where Sandvik expressly agrees that liquidated damages will apply in either the Quote or the Order Acceptance, if Sandvik fails to supply the Goods and/or Services by the Delivery Date the Customer will be entitled to liquidated damages calculated at the rates stated in the Quote or the Order Acceptance, as applicable. Unless otherwise expressly agreed by Sandvik in the Quote or Order Acceptance, the maximum amount of liquidated damages Sandvik will be liable for in any Contract will be no greater than 5% calculated in accordance with clause 4.7 below.

4.7. The liquidated damages shall only be calculated on the value of the Goods and/or Services which are late.

4.8. The Customer shall forfeit its right to liquidated damages if it fails to lodge a claim in writing for such damages within three months after the Delivery Date.

4.9. Subject to clause 4.10, these liquidated damages shall be the Customer's sole remedy for Sandvik failing to deliver the Goods and/or Services by the Delivery Date.

4.10. Should the rates of liquidated damages payable under this clause be found to be a penalty or unenforceable then the parties agree that Sandvik's liability to the Customer will instead be compensatory damages. Such liability for compensatory damages shall at no time exceed the amount of liquidated damages which would have been due under the Contract had such liquidated damages been enforceable. The parties agree that the liquidated damages mentioned above are a genuine pre-estimate of their loss.

4.11. During the continuance of an event of Force Majeure or the effect of an act or omission of the Customer, Sandvik's obligations under the Contract will be suspended and timeframes adjusted accordingly. Sandvik shall not be in breach of this Contract or otherwise liable

for any failure or delay in the performance of such obligations.

4.12. Orders cannot be cancelled, terminated, changed or postponed by the Customer without the prior written authorisation and agreement of Sandvik and Customer will indemnify Sandvik (less of any cancellation fee agreed in the Quote) for any loss, cost or damage which arise as consequence of any breach in relation hereto.

4.13. The Customer shall promptly inspect the Goods upon delivery, and in any case, Customer must notify Sandvik in writing within 7 Days of date of POD of any Goods that fail to materially conform (the "Nonconforming Goods") to the specifications in the Contract. If the Customer does not notify Sandvik within such time period, the Customer is deemed to have accepted the Nonconforming Goods and Customer shall have no right to return such Goods. In the event Customer has notified Sandvik within the required time period, Customer's sole and exclusive remedy with respect to the Nonconforming Goods shall be as set forth in Section 5 herein.

4.14. All Goods incorrectly supplied to a Customer under a Contract will be credited in full. Freight costs to the receiving Sandvik designated warehouse will be covered by Sandvik. Notification of incorrect supply of Goods must be formally made available to Sandvik within 21 Days of POD, otherwise, the Goods will be deemed accepted by the Customer.

5. Customer Returns

5.1. Returns of Goods that are not Nonconforming Goods will only be accepted by Sandvik from Customer with the prior agreement of Sandvik in writing. All items which are accepted as returns will be subject to a handling charge.

5.2. Subject to clauses 5.1 and 12.2, and excluding as set out in clause 4.14, the following conditions apply to all returned Goods:

5.2.1. the Customer must notify Sandvik within 7 Days from the date of POD;

5.2.2. after such notification Sandvik shall generate a written "Return Note" instructing the Customer to return the Goods to a Sandvik designated warehouse;

5.2.3. the Customer has 14 Days from the date of the Return Note for the Goods to be received at the Sandvik designated warehouse;

5.2.4. non-returnable items regardless of other criteria include:

Gaskets; Seals; Belts; Hoses; Opened kits; Items made to order; Non-Sandvik Goods; Glass.

5.3. Sandvik will not accept any liability, risk or responsibility for returned Goods unless there has been prior written arrangement by way of a Sandvik generated Return Note. The Return Note provides preliminary approval for return of Goods. Full and final acceptance of returned Goods is at Sandvik's sole discretion and is subject to the following conditions:

5.3.1. a copy of the Return Note authorisation must accompany the Goods;

5.3.2. Goods will be subject to a visual and technical inspection by Sandvik upon receipt at the designated warehouse;

5.3.3. Goods returned must be undamaged, returned in original packaging (where applicable) and re-saleable as new; provided, however, that this Section 5.3.3 may not apply to Goods that are Nonconforming Goods as a result of a product defect;

5.3.4. Goods must not have been fitted or otherwise used in any manner;

5.3.5. Goods rejected by the receiving warehouse due to noncompliance with the above conditions will be held at the warehouse pending instructions from the Customer;

5.3.6. Goods that have been rejected in accordance with clause 5.3.5. that are not collected by the Customer will be disposed of if not collected within 3 months from receipt at the Sandvik designated warehouse;

5.4. If the Goods are returned within 14 Days from date of the Return Note, but not later than 30 Days of date of POD,

the Customer receives full credit of the invoiced value. If the Goods are returned more than 30 Days from date of POD the Customer receives no credit.

5.5. Freight costs to the Sandvik designated warehouse for returned Goods are the responsibility of and shall be charged to the Customer's account.

6. Price and Payment

6.1. Unless otherwise specified in the Contract, all prices are quoted EXW (as per Incoterms 2010) and do not include freight, insurance, taxes, customs and/or excise levies or duties (or similar). If variations should occur prior to delivery the price may be amended by Sandvik. If the Customer requests a variation to the Order before delivery of the Goods or performance of the Services, Sandvik may, at its discretion accept or reject a request to vary an Order. Where an Order is varied by Customer, Customer acknowledges that the price of the Order may increase or decrease (as the case requires), Sandvik will calculate the amount of an increase or decrease by reference to Sandvik's relevant Market Area Price List, costs, expenses, losses and damages suffered, off-site overheads, profit and such other reasonable rates and charges in connection with the variation.

6.2. If in any jurisdiction VAT is payable by Sandvik to a tax authority in relation to the supply of the Goods and/or Services, an amount equal to such VAT will be calculated and charged to the Customer as an additional amount. To the extent that a payment to a party under or in connection with this Contract is calculated by reference to or as a specified percentage of another amount or revenue stream, that payment shall be calculated by reference to or as a specified percentage of the amount or revenue stream exclusive of VAT. Where a sale of Goods is treated as not subject to VAT on the basis the Customer or its freight forwarder will move the Goods from one country to another country, the Customer will provide to Sandvik, upon request, all transport documentation and (if applicable) Customs documentation to demonstrate the cross-border movement of the Goods. If the Customer fails to provide such documentation or the Goods were not moved cross-border, the Customer will pay to Sandvik an amount equal to any VAT for which Sandvik is required to account to a tax authority together with any penalties and/or interest imposed on Sandvik by a tax authority in relation to that supply of Goods.

6.3. Unless otherwise specified in the Contract, Sandvik will invoice the Customer upon delivery of the Goods and/or Services. The Customer will pay the whole Amount Payable on or before the Due Date without any set off, withholding or deduction. The Customer agrees that if any Amount Payable is not paid by the Due Date Sandvik shall be entitled to charge and recover interest at the rate of 1.5% per month or part thereof on the Amount Payable overdue for the period between the Due Date until payment is made in full. Payment received from the Customer is valid once honoured or funds are cleared.

6.4. The Customer agrees to indemnify and keep indemnified Sandvik against any costs incurred by Sandvik in connection with the Customer's failure to pay on the Due Date, including but not limited to legal fees on an attorney and own client scale, including collection charges, on an indemnity basis and debt collection agency fees.

7. Retention of Title

7.1. The title in any Goods sold and delivered by Sandvik to the Customer shall not pass to the Customer until the total Amount Payable for the Goods (plus all accrued interest (if any) payable under clause 6) has been paid in full.

7.2. Until title in any Goods sold and delivered by Sandvik has passed to the Customer in accordance with clause 7.1 above:

7.2.1. the Customer shall keep those Goods separated from any other goods of the Customer so that they remain readily identifiable as Sandvik's property;

7.2.2 not remove, deface or obscure any identifying mark or packaging on or relating to the Goods; and

7.2.3. the Customer shall notify any landlord of any premises leased by the Customer where the Goods are stored that the Goods are Sandvik's property.

7.3. In addition to all other rights which Sandvik has under the Contract or applicable laws, Sandvik will be entitled to enter the premises of the Customer (including leased premises) at any time (to the extent permissible by law) to recover possession of those Goods for which the Amount Payable has not been made by the Due Date. It is agreed between Sandvik and the Customer that where Sandvik enters the premises of the Customer to take possession of the Goods and it is not possible to identify which goods are Goods owned by Sandvik but are in the possession of the Customer, the Goods will be deemed sold to the Customer in the same sequence that the Customer took delivery of the Goods. If the quantity of the Goods exceeds the amount owing, Sandvik will be entitled to determine which of the Goods it claims ownership in.

7.4. The Customer must keep the Goods insured against all risks for goods of that kind from the time the risk in the Goods passes to the Customer until the time the title in the Goods passes to the Customer. If requested by Sandvik the Customer will provide to Sandvik a copy of the insurance policies.

7.5. If before title to the Goods passes to the Customer, the Customer becomes subject to an Insolvency Event, then, without limiting any other right or remedy Sandvik may have, the Customer's right to resell the Goods or use them in the ordinary course of its business ceases immediately; and Sandvik may at any time: (i) require the Customer to deliver up all Goods in its possession that have not been resold, or irrevocably incorporated into another product; and (ii) if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Goods are stored in order to recover them.

8. Warranty

8.1. The Sandvik Mining and Rock Technology Standard Warranty applicable at the date of Order Acceptance shall apply to the Goods supplied by Sandvik and shall be made available to the Customer upon Order Acceptance.

8.2. To the extent that clause 8.1 does not apply, Sandvik warrants that the Goods supplied shall, under proper use, be free from defects in materials and workmanship and substantially conform to the Contract for a period of 3 months from the date of delivery. In this clause 8 "proper use" means installation, commissioning, operation and maintenance by Customer in accordance with Sandvik documentation and "defects" means any defect and/or omission in materials or workmanship and any material nonconformity with the specifications set forth in the Contract. In no event does Sandvik give any warranty to parts or components manufactured and/or supplied by any third party, unless otherwise agreed.

8.3. SUBJECT TO CLAUSE 12.2, AND EXCEPT FOR THE WARRANTIES SET OUT IN CLAUSE 8.1 AND 8.2, SANDVIK EXPRESSLY DISCLAIMS ALL WARRANTIES OR CONDITIONS EXPRESS, IMPLIED OR STATUTORY, INCLUDING BUT NOT LIMITED TO WARRANTIES OF SATISFACTORY QUALITY, MERCHANTABILITY, NONINFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE.

8.4. To the extent that Sandvik is unable by law to exclude its liability, Sandvik's obligations under this clause 8 shall be limited at Sandvik's option to making good by repair or replacement of any Goods in which any defect appears or in the case of Services the cost of providing the Services again. Any warranty claim must be notified applicable warranty period.

9. Intellectual Property and Confidential Information

9.1. Sandvik is and will remain the sole owner of:

9.1.1. all the intellectual property rights comprised in and relating to the Goods and/or Services; and

9.1.2. any intellectual property rights created in connection with the performance of the Contract.

9.2. No licence is hereby granted directly or indirectly under any patent, invention, trademark, discovery, copyright or other intellectual property right held, made, obtained or licensable by Sandvik now or in the future, other than as expressly set out in the Contract.

9.3. Upon Order Acceptance and, subject to the full payment of the price for the Goods and/or Services, Sandvik grants to the Customer a non-exclusive, nontransferable, non-assignable, non-sub-licensable license to use Sandvik's intellectual property rights comprised in the Goods and/or Services, strictly limited to the extent necessary for installing, operating and maintaining the Goods in accordance with manuals and use instructions supplied by Sandvik and receiving the Services. Unless otherwise specified in writing, this limited license shall continue unless terminated pursuant to these Terms. Nothing in this Contract permits the Customer to copy, reproduce, modify, adapt, alter, translate, reverse engineer, 3D copy/print or create derivative works from any Goods or Services or of Sandvik's intellectual property rights, in all or in part, without Sandvik's prior written consent. If the Customer uses any of Sandvik's intellectual property rights in breach of this Contract, Sandvik may immediately terminate or revoke such rights, in all or in part in its sole discretion.

9.4. The Customer agrees to only use any Sandvik's Confidential Information only to exercise its rights and perform its obligations under or in connection with this Contract. The information remains the property of Sandvik at all times.

9.5. Each party undertakes that it shall not at any time disclose to any person any Confidential Information, except as permitted by Clause 9.6.

9.6. Each party may disclose the other party's Confidential Information:

9.6.1 to its employees, officers, agents, consultants or subcontractors ("**Representatives**") who need to know this information for the purposes of exercising the party's rights or carrying out its obligations under or in connection with this Contract, provided that the disclosing party takes all reasonable steps to ensure that its Representatives comply with the confidentiality obligations contained in this Clause 9 as though they were a party to this Contract. The disclosing party shall be responsible for its Representatives' compliance with the confidentiality obligations set out in this Clause 9; and

9.6.2 as may be required by law, a court of competent jurisdiction or any governmental or regulatory authority.

9.7. Each party reserves all rights in its Confidential Information. No rights or obligations in respect of a party's Confidential Information other than those expressly stated in this Contract are granted to the other party or to be implied from this Contract.

9.8. For the purpose of this Clause 9 "Confidential Information" means any information which is designated as confidential or would be regarded as being confidential by a reasonable business person or is confidential by its nature or circumstances in which it was imparted, including the business, affairs, customers, clients or suppliers of the other party or of any member of its Group, including but not limited to information relating to a party's operations, processes, plans, product information, price lists, know-how, designs, trade secrets, software, market opportunities and customers, except to the extent that such information is (i) in the public domain other than as a result of breach of an obligation by the other party (ii) lawfully acquired from a third party who owes no obligation of confidence in respect of the information; or (ii) independently developed the recipient or in the recipients lawful possession prior to receipt.

10. Data

10.1. The Customer agrees that Sandvik may collect, store, analyse and process any Input Data and Output Data in order for Sandvik to:

10.1.1 provide the Customer with the Equipment Monitoring Service (including any services in relation or in connection thereto); and

10.1.2 develop the Sandvik Data to use for the Purpose.

10.2. All rights, title and interest in and to the Sandvik Data will be retained by Sandvik.

10.3. All rights, title and interests in or relating to the Input Data and Output Data will be retained by the Customer to use for its own internal business purposes. Except as permitted by Sandvik in writing in advance, the Customer agrees not to disclose Input Data or Output Data, in whole or in part (regardless of format), to any third party outside the Customer's group of companies; provided, however, that the Customer may disclose such information to third party service providers (to the extent necessary for such service provider to be able to provide service of the Goods to the Customer) having signed reasonable confidentiality undertakings with the service provider. During the term of the Equipment Monitoring Service, Sandvik shall, upon the Customer's written request provide a copy of any customer-specific Input Data and/or Output Data stored by Sandvik from time to time. The Customer will not install any third party hardware or software in or onto the Goods, nor connect it to any third party computer or automation system without the prior written consent of Sandvik.

10.4. Sandvik shall apply the same security and confidentiality standards to the Input Data and Output Data as it applies to its own commercially sensitive data.

10.5. The Equipment Monitoring Service is a service provided by Sandvik based on Input Data sent by Customer to Sandvik. If and to the extent Input Data and/or Output Data contains any Personal Data, both parties agree to comply with all applicable requirements of the Data Protection Legislation. For the purposes of the Data Protection Legislation, the Customer is the data controller and Sandvik is the data processor for such Personal Data. For the avoidance of doubt, the Customer is solely responsible to ensure that it has provided all necessary notices to relevant data subjects and, if deemed necessary by the Customer, that appropriate consents have been obtained to enable the lawful transfer and processing of Input Data and/or Output Data by Sandvik and its subcontractors as described in the Contract. The Customer hereby agrees that Sandvik, at its discretion, may engage any subcontractor inside or outside the EU/EEA as a sub-processor for the processing of Personal Data hereunder; provided that Sandvik shall remain responsible in relation to Customer for the acts and omissions of such subcontractor.

10.6. The Customer acknowledges that the Equipment Monitoring Service is based on Input Data sent to Sandvik. Sandvik cannot guarantee that the Equipment Monitoring Service completely reflects the factual condition of the Connected Equipment and it is the Customer's sole responsibility to review the information in relation to the Equipment Monitoring Service and confirm the actual condition of the Connected Equipment accordingly. Sandvik does not provide any warranty as to the accuracy of any Input Data and/or Output Data. Sandvik makes no statement about the suitability of the Equipment Monitoring Service for a given situation and the Customer acknowledges that it is its sole responsibility to determine and ensure that the Equipment Monitoring Services are relevant for its particular business needs. Further, Sandvik will not assume any obligation, responsibility or liability whatsoever for the Customer's reliance on (and/or use of) any Output Data or otherwise of the Equipment Monitoring Service. Unless otherwise agreed, Sandvik shall be under no obligation to store any Customer specific data except for Input Data.

10.7. The Customer agrees to indemnify and keep indemnified and fully reimburse Sandvik from and against any and all actions, claims (including counterclaims), proceedings, costs (including all reasonable legal costs), losses, damages, fines, penalties (including punitive or exemplary damages) and all other liabilities resulting from

TERMS AND CONDITIONS OF SUPPLY

any obligations, acts and/or omissions by the Customer under clause 10.5 except where and to the extent that such violation is due to Sandvik's breach of its obligations under clause 10.5.

11. Software and Computer Control Systems

11.1 Where the sale of any Goods/Service and or Connected Equipment comprises also software or systems ("Software") the Customer is granted, during the term of a Contract, a non-exclusive, non-transferable, non-sublicensable, and revocable right to use the relevant Software in accordance with the terms set forth in the Contract, while title to and any and all rights relating to the Software shall always remain vested in Sandvik.

11.2 The Customer must not, without the prior written consent of Sandvik, modify any Software or remove it from the Goods or Connected Equipment, make copies of the relevant Software or sell, licence, transfer or otherwise dispose of or distribute the Software or use it for any other purpose to the extent necessary for installing, operating and maintaining the Goods. The Customer shall ensure that also its agents, employees or other representatives comply with this provision.

11.3 The Customer acknowledges that the Equipment Monitoring Service is personal to the Customer and cannot be assigned. However, the Customer undertakes to notify Sandvik if the Customer sells, leases, rent or otherwise assign or transfer the Connected Equipment and notify the new customer and/or user that the Equipment is connected.

11.4 Other than the Connected Equipment, the Customer must have computer and network infrastructure that meets the requirements specified by Sandvik at the time of conclusion of this Contract ("Minimum Technical Requirements"). The Customer acknowledges and agrees that the performance of the Service is dependent upon the Customer's information technology equipment meeting the Minimum Technical Requirements. The Customer must throughout the term of this Contract ensure that its network infrastructure meets the Minimum Technical Requirements.

11.5 Where third party or open-source software is supplied the terms and conditions of such licence will form part of the Contract and such license terms shall, unless otherwise expressly stated in Contract, apply in lieu of these Terms as regards the Customer's use of such third party software.

11.6 Any license granted or implied under this Contract can be revoked at any time.

Sandvik reserves the right to suspend work under the Contract if Unsafe conditions exist at Customer's location where Services are being performed, to which Sandvik's personnel (including but not limited to its directors, employees, contractors or subcontractors) may be exposed, until such time as Sandvik determines the Unsafe conditions have been rectified by Customer.
